## Purpose

All major emergencies will be dealt with by the emergency services, local authorities, utilities and voluntary agencies in a combined response. This Emergency Plan is not intended to be a substitute for these services and, on an emergency situation arising, the first action should always be to contact the emergency services by **dialling 999**.

The purpose of this plan is to cater for extreme circumstances (for example heavy snowfall) that might prevent the emergency services from reaching the scene immediately. In such cases the initial response may rely entirely on Hardwick residents; this plan describes how such an initial response will be coordinated.

## Initial Actions

If an emergency arises and it is not possible to contact the emergency services straight away (or if their response may be delayed), the Hardwick Emergency Plan should be initiated as follows:

### 1. Contact the Emergency Coordinator:

Role	Contact Name	Address and Phone No.
Parish Council Chairman	Tony Gill	53 Egremont Road 211108

If the *Emergency Coordinator* is not available, contact the *Initial Response Team* (see step 2)

### 2. The Emergency Coordinator will contact the Initial Response Team:

Role	Contact Name	Address and Phone No.
Parish Council Vice-Chairman		
Clerk to the Parish Council	Gail Stoehr	01954 210241

### 3. The Initial Response Team will co-ordinate the local response by contacting the following:

Role	Contact Name	Address and Phone No.
Parish Councillor	Stephen Rose	6 Sadlers Close 01223 200501
Parish Councillor	Prasanna Rangadurai	5 Harris Close 07503298195
Parish Councillor	Jakub Dabrowski	1 Johnson Drive 07785758395
Parish Councillor	Javier Armisen Garrido	168 Limes Road 01954 583183

## Follow-up Actions
