Background Information

Continue on a separate sheet if required

Please detail any experience you have that may be relevant to the Parish Council:

As part of my professional experience as a project manager, I have been involved with matters such as budget, contracts, due diligences and client management. I have always worked as part of a team (either as individual contributor or as a team leader) shaping company policy making with an emphasis on the areas of research operations.

Moreover, I have acted as initial point of contact for questions and concerns related to my work community. I am providing regular communications and relevant information that affect my workplace and promoting engagement events while partnering with relevant business units to raise colleagues concerns and acting as a facilitator.

Throughout my career, I have dealt with challenging situation and I have always taken other people's views and needs into account to find solutions that promote a win-win outcome. My experience covers academia as well as private industry and I am used to deal with people at all levels.

Please state why you wish to be a Parish Councillor:

I have always been interested in local matters that affect my family and my community. While living in Cambridge I have been involved with my local community, supporting local schools (Queen Emma Primary School) and community activities.

Since I moved to Hardwick in August 2021, I have felt extremely welcome by the people in the village and I believe this is a great opportunity for me to serve the community. I want to support the community, speak up for and on behalf of the residents, ensuring that their voice is heard when decisions that affect the village are made.
