4.1 (3) Archiving of old Parish Council minutes – to consider resident's suggestion that the documents are put on display for the village

Cllr Rose's verbal report regarding a resident's research into the whereabouts of old Parish Council minutes, and his suggestion that these papers could be made accessible to the village rather than lodged in the County Archives was noted. Some old papers had been stored for many years in a filing cabinet in the School community room, whereas in recent years the minutes have been lodged in the County Archives in accordance with the Council's policy.

RESOLVED that a working group should be set up consisting of Cllr Rose (Convenor), Cllr Joslin and the resident to consider where the old papers should be stored when digitised, and bring a report and recommendation to the next meeting. (Prop SR, 2nd JA, unanimous)

(Prop SR, 2nd JA, unanimous)
- 4.5 (5.4) Gate at Hall Drive – update following meeting with Hill
Cllr Rangadurai’s verbal report that since the liaison meeting with Hill, the issue had been resolved and the gate opened, so that residents of Capstone Fields could access the centre of the village via Hall Drive, and that the matter was now concluded was noted.

RESOLVED that Cllr Coxall should continue to pursue a meeting with the landowner to discuss the ruts at the side of the access road to the Church play area, and whether an arrangement can be made to resolve the issue. (Prop SR, 2nd PJ, unanimous)
- 4.11 (5.4 of 30.8.23) Request for additional MVAS post – to consider correspondence received

7.1 New Housing Developments and Planning Obligations

RESOLVED, having considered Cllr Rangadurai's draft statement regarding the Parish Council's position on the proposed new development, to approve the following statement:

"Dear Residents of Hardwick,

We wish to inform you that Hill Construction intends to submit an application for permission to convert the Hardwick Green Belt into a residential development, consisting of approximately 400 houses.

It is important to note that, as of this time, the Hardwick Parish Council is not directly engaged in any negotiations with either Hill Construction or the South Cambridgeshire authorities regarding this matter. All ongoing communication and engagement are occurring solely between Hill Construction and the village.

The role of the Hardwick Parish Council in this process is to serve as a reflection of the collective voice and concerns of our village. We want to emphasise that the Parish Council does not hold decision-making authority in this process. Instead, our commitment is to facilitate communication and transparency between the appropriate authorities and the village of Hardwick.

Throughout this endeavour, consultations will be conducted between the relevant authorities and the village to ensure that your concerns, opinions, and feedback are heard and considered. The Parish Council will actively participate in these consultations to monitor progress, streamline feedback, and make information readily available to all residents.

We encourage all residents to stay informed and engaged in this important process, and we will do our utmost to ensure that your voices are heard and respected throughout the development application and decision-making phases.

Thank you for your understanding and co-operation."

RESOLVED that the statement should be published on Facebook and on the website. (Prop JD, 2nd SR, unanimous)

7.2 Community Centre update

Cllr Rose reported on an issue with the new Pavilion lease which could potentially affect the new Community Centre. He explained that currently the lease gives HSSC the right to use an area at the rear of the Pavilion and to store refuse and barrels in another area, but these areas are shown on the Community Centre site plans as necessary for access. Whilst HSSC did not regard this as a problem at present, and had signed the lease, Cllr Rose expressed concerns that problems could arise in the future if this aspect was not addressed prior to the lease being signed by the Parish Council, especially if the composition of the Parish Council or HSSC were to change during the term of the lease.

RESOLVED that the lease should not be signed at this point and that consideration of signing the lease should be deferred to the next meeting, to enable Cllr Rose to comment on the lease and what changes are required in relation to the Community Centre. (Prop SR, 2nd JA, unanimous)

RESOLVED that a copy of the draft lease should be sent to all Councillors.

At 9.15 pm, given that Cllr Dabrowski needed to leave, RESOLVED that Cllr Rose should take the chair for the remainder of the meeting. (Prop JD, 2nd DC, unanimous)
