3. Hardwick Community Centre – to consider the next steps

Resolved to seek the Clerk’s advice on options to a) continuing with AMA to design the proposed community centre, asking if they can fit a building of about 420 square meters into a space between the MUGA and Egremont Road (to avoid building on the MUGA) and ask for it to include a large hall, café, toilets and changing rooms; and then b) approach Hill to tender for the design and build of a community centre of the same specification.

RESOLVED to look at the site again, and look at the hedge to see how much scrub not affected by the TPO can be cleared, and pace out how much room is available, and consider what orientation a building should have.

4. Closure of meeting

There being no other business, the meeting closed at 9.38 pm.
